Alice In Chains 80's Band Sign

As with most just resize to what you want and color if you have a color printer.

I tried to keep the logo's as original looking as I could, I made these for my wall not to sell & figured someone else might like one as well.

I use picture frame hangers to hang them up it seems to work out fine & screws easily into the plastic.

Hangers small: [EesTeck 50 Pack Small Sawtooth Picture Hangers Steel Picture Hanging Picture Frames Hangers with Screws Picture Hang Solutions, for Hanging Clock Paintings Artwork Picture Frame Hook Photos \(Black\) - Amazon.com](#)
