updated 10. 10. 2023 | published 10. 10. 2023

## Summary

It's a Japanese flower pot, but I think any plan. Please print it larger.

"Akechi Mitsuhide" was a Sengoku period military commander who rose from a lowly position to become the lord of a castle in a country, gaining the tremendous trust of Oda Nobunaga, one of the three great heroes. Akechi Mitsuhide, who was supposed to have sworn loyalty to Oda Nobunaga, forced Oda Nobunaga to commit suicide in the Honnoji Incident" and took control of Japan for just over 10 days.
