## Summary

Curtain Holder for our Caravelle

[Hobby & Makers](#) > [Automotive](#)

Tags: [vw](#) [vwt5](#) [vwt6](#) [vanlife](#) [vwt61](#)

We needed some holders for the curtains in our VW so the cooling from air conditioning would spread in the main cabin, when no passengers.

You can click the parts onto the headrest rods.

And they will stick firmly.

Printed in 0.2 layer height and PLA, did a test in PETG too, But PLA is good enough.
