

iPhone Magsafe Stand with holes for magnets

crs

[VIEW IN BROWSER](#)

updated 8. 10. 2023 | published 8. 10. 2023

Summary

Remixed the nice model from jangxx with holes for magnets with 10mm diameter and 5mm hight.

[Gadgets](#) > [Portable Devices](#)

Tags: [magnet](#) [iphone](#) [magnetic](#) [magsafe](#)

Can be printed with organic support.

It can hang upside down with the magnets, that's nice when your bedside table is made from metal.

This remix is based on

iPhone Magsafe Stand (updated)
