### Summary

Here is a model I made for a Blu-ray disk drive to have outside my PC.

[Gadgets](#) > [Computers](#)

Tags: [computer](#) [drive](#) [dvd](#) [drivebay](#) [pcgaming](#)

Cases nowadays don't have slots for internal drives, So I created this to house it outside on my desk without looking bad. This is a housing for any internal drive as they are all same size.
