### Summary

Angled multimeter holder for a HSW.

Tags: [holder](#) [multimeter](#) [hsw](#)

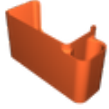

Created this HSW holder for my multimeter. Holds a Uni-T UT61D and similar sized multimeters nicely.

Unlike other holders, this one is rotated by 90 degrees to reduce the footprint on the wall.

Height with multimeter 18cm, depth in front of wall is 12cm and the width is 6cm with (my) plugs inserted.

Printed with 0.6mm nozzle and supports between the two HSW mounts.
