Summary

Print-in-place model of the classic Ford script (without the oval).

[Art & Design](#) > [2D Plates & Logos](#)

Tags: [logo](#) [ford](#) [script](#)

This is a simple print of the Ford logo script without the oval around it. 3 tabs are included to connect various parts of the "F" to the rest of the print, and the bottom of the logo is flat, so it can sit on any surface.

No supports needed / print in place.

Approximately 2" H x 4.75" W x 0.5" D
