updated 8. 10. 2023 | published 8. 10. 2023

Summary

Fancy decoration for Knob.

[3D Printers](#) > [Accessories](#)

Tags: [knob](#) [decorative](#) [sharingan](#) [obito](#) [sherpamicro](#)

You'll want to scale up 1-2% otherwise its a REALLY tight fit. This covers the screw so you want to be able to get it off at some point.

Used **Uchiha Sharingan Magnets** for the obito sharingan. Thanks!

This remix is based on

**Uchiha Sharingan Magnets**
