Summary

Ghost design with tea light, updated for easier removal of tea light

[Art & Design](#) > [Other Art & Designs](#)

Tags: [halloween](#) [light](#) [ghost](#) [tealightholder](#)

This is a remix from [Celta](#) and his [model](#) remix.

This is the entire model. I added some finger indents so the tea light can be removed easier, also added some stoppers so the tea light won't get shoved all the way into the model.

The overhands are rough but should be fine since it's on the bottom, the images printed in pink show the changes in detail.

This remix is based on

Ghost Booh (LED tea light)

by Celta
