

Safe shelf

The Mechanical Witch

[VIEW IN BROWSER](#)

updated 11. 10. 2023 | published 11. 10. 2023

Summary

A shelf for my two previous valuables boxes.

[Household](#) > [Office](#)

Tags: [shelf](#) [accessory](#) [safe](#)

Print the “spine” part in its default position. thereby it will support itself. .3 layer height should do for all parts.

Assembeled using M3X12 screws

My Youtube video showing it off:

As usual i declare the design public domain, any attribution is greatly apreciated but not needed (because demanding it would be hypocritical on my end).
