Summary

A bathroom organizer for oval cottons and Q-Tips

[Household](#) > [Bathroom](#)

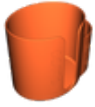

Tags: [bathroom](#) [cotton](#) [qtip](#) [bathroomorganizer](#) [cottonpad](#) [bathroomaccessories](#) [cottonpads](#) [bathroomorganization](#) [bathroomaccessory](#) [cottonpadholder](#) [qtips](#) [qtipholder](#) [qtipbox](#)

I designed this organizer for oval cotton pads and cotton swabs for my wife, who uses oval cotton pads to remove makeup and who could not find a suitable organizer or box on the market.

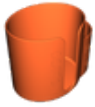

You can print it in one or two colors. The design is designed to be cut in half, but you can easily offset the second color to where you want it.

Furthermore, there are 2 versions: one without texts and one with texts.
