### Summary

An adapter hook to mount a Ikea Skadis Pegboard below a shelf inside a Ikea Pax cabinet. May work with other cabinets.

This is a hook and spacer designed to mount your Ikea Skadis pegboard inside a cupboard. It functions by hanging on the back of an upper shelf.

In my specific situation, I use it with an Ikea Pax cupboard. The shelves there are 18.25mm thick, so it might be compatible with other cupboards as well.
