Tags: [towel](#) [clamp](#) [headrest](#)

Clamp you towels to the headrest so they don't fall down. Protect those seats from sand, dirt, water and more.

Knob allows for easy tightening and adjustment to any headrest in any model of car. Clamps are still being tested and improved. Let me know what your recommendations are.

Designed for an M3x30 screw from the bottom of the clamp connecting to an M3 hex nut within the handle.

Updated Design (V2)
