Summary

Used to hold a 4in fan in place

[3D Printers](#) > [Other Printer Parts & Upgrades](#)

Tags: [fan](#) [acinfinity](#) [tiedown](#) [elegoojupiter](#)

I got a blow style type fan to exhaust the fumes from my Elegoo Jupiter. This is used to hold the fan in place. I used 3M pads to the bottom of the feet so I didn't have to damage the case of my printer.
