Tags: [card](#) [mtg](#) [magic](#) [commander](#) [deck](#) [ultrapro](#) [sleeves](#)

This is a modified version of the original deck box to fit Ultra Pro 3" x 4" top loader card protector for the commander card and slightly increased in size to accommodate Dragon Shield Matte sleeves for the rest of the deck.

The commander card is held in place with a friction fit and will come loose with a slight tug. The other dimensional modifications are to make it a bit wider and taller to handle the card sleeves.
