Summary

This mounting tray can be used to universally install the Helix Director.

[Hobby & Makers](#) > [Automotive](#)

Can also be purchased directly:

It is also needed to be able to use it in the Helix Director Stand:

<https://www.thingiverse.com/thing:6236586>

We recommend using only ASA, ABS or comparable filaments for use in auto. This model must be printed with supports, with a layer height of approx. 0.15mm. Because of the small footprint, a raft or rim may be necessary.
