This is a combined MagSafe iPhone and AppleWatch charging Stand that holds the phone horizontally to take advantage of the new StandBy mode in iOS 17.

Require glue to keep parts together (superglue is fine).

Compatible with **all iPhones that have MagSafe** and **all AppleWatch models**.

Elevate your charging and display experience with our innovative iPhone and Apple Watch Stand, designed to effortlessly accommodate all iPhones featuring MagSafe technology and all generations of Apple Watches. Say

goodbye to cluttered countertops and tangled cables and welcome a sleek and organized solution into your life.

## **Key Features:**

**Universal Compatibility:** Our stand is tailored to fit all MagSafe-compatible iPhones, ensuring a secure and efficient charging experience. Plus, it's equipped to support all Apple Watch models, so you can conveniently charge and display your wearable tech in one place.

**Sleek and Minimalistic Design:** Crafted with a modern aesthetic in mind, this stand seamlessly blends into any environment. Its clean lines and premium materials make it an elegant addition to your workspace, bedroom, or living room.

**Easy Assembly:** Designed with user convenience in mind, our stand is a breeze to assemble. No need for complex instructions or tools. Simply follow the straightforward assembly guide, and you'll have your stand ready to use in minutes.

**Sturdy and Durable:** We prioritize durability to ensure that your valuable devices are safe and secure. The stand is built with high-quality materials, providing stability and support for your iPhone and Apple Watch.

**Cable Management:** Tired of messy cables? Our stand comes with integrated cable management, keeping your charging cables neatly organized and out of sight, providing a clean and clutter-free charging station.

**Multi-Functional:** Beyond charging, our stand also serves as a versatile display platform for your iPhone and Apple Watch. Use it to watch videos, video calls, showcase photos, or even follow recipes while you cook.

Upgrade your charging and display setup with our iPhone and Apple Watch Stand – the ultimate solution for MagSafe-compatible iPhones and all Apple Watch generations. Make your life easier, more organized, and more stylish with this essential accessory.

Experience the future of charging and order your iPhone and Apple Watch Stand today. It's time to simplify your life and embrace the convenience of modern technology.
