updated 9. 10. 2023 | published 9. 10. 2023

Summary

A remix for the tall NUC's

[Gadgets](#) > [Computers](#)

Tags: [mount](#) [nuc](#) [mountingbracket](#)

A taller version of the existing mount to work with the taller SSD-based NUC's. Should work on multiple generations as they don't really change the case.

This remix is based on

Intel NUC under Desk Mount
