Booenchy, the Halloween Ghost Benchy. You can even put this costume over your Benchy and transform into a hilarious and haunting specter. With draped cloth and perfectly placed eye holes, Booenchy captures the timeless charm of a classic ghost costume, giving Benchy a spine-tingling makeover that's both funny and fun. Whether you're a Benchy enthusiast or just looking for a playful twist on 3D printing, this must-have accessory adds a boo-tiful touch to your Halloween festivities. Download the 3D model today and let the hauntingly good times begin!

Booenchy prints at spooky fast speeds, ensuring you'll have your eerie Benchy ghost costume ready to haunt in no time. What's even better? You won't need any supports to print Booenchy, making the entire process hassle-free. But here's where the real fun begins: Booenchy looks

absolutely stunning when printed in Silk or multi-color PLA filaments, as these materials showcase the fabric folds in all their glory. Of course, classic white is a timeless choice that perfectly captures the essence of a ghostly apparition.

And here's the spooky cherry on top – you can take your Booenchy to the next level by placing a small LED tea light underneath it, creating an eerie and captivating glow that's bound to send shivers down spines. But the surprises don't end there! For an extra dose of whimsy, try placing a regular Benchy inside Booenchy and gently press down on the smokestack. You'll witness the magic as Benchy's eyes wink mischievously, adding a playful twist to your 3D-printed Halloween masterpiece. So, don't wait any longer – get your Booenchy 3D model today and let the printing adventures begin!

Booenchy, the enchantingly spooky 3D creation, is a result of a seamless blend of 3D sculpture and visual effects simulation. Crafted with meticulous attention to detail, Booenchy's design combines the artistry of 3D sculpting with the magic of visual effects to bring you a Halloween costume for Benchy like no other.

Happy 3D printing!
