Summary

A ghost dog and cat with a slot for a tealight

[Household](#) > [Home Decor](#)

Tags: [halloween](#) [decoration](#) [ghost](#) [decor](#)

A Halloween ghost dog and cat with a slot for a tealight. If you have a commercial license, you can sell prints but selling files isn't permitted.

Tips on getting a snug tealight fit

It takes a little bit of experimentation with scale to get a perfect fit, but I have a shortcut for you:

If you grab [these tealights from Walmart](#) print the cat at 100% scale and the dog at 99% scale.

Or you can yonk [these tealights off of Amazon](#) and print the dog at 100% and the cat at 101%.
