Summary

A stylisch Tripod for the HomePod mini.

[Household](#) > [Home Decor](#)

Tags: [stand](#) [tripod](#) [apple](#) [speaker](#) [homepod](#)
[homepodmini](#)

This tripod is made in 2 pieces:

- Main Body
- Leg (Print 3 times)

This Model can be printed without supports.

I recommend the use "super glue" to glue the legs to the main body.

3D printing settings

Body:

- Resolution: 0.2
- Supports: No
- Infill: 50-70% (Cubic)
- Rafts: Skirt

Legs:

- Resolution: 0.2
- Supports: No
- Infill: 20% (Cubic)
- Rafts: Brim
