updated 25. 11. 2023 | published 25. 11. 2023

Summary

A lamp shade tailored for the 24W sansiled grow light to keep horizontal light from leaking out

[Household](#) > [Home Decor](#)

Tags: [lamp](#) [led](#) [shade](#) [growlight](#) [sansiled](#)

The shade has a good gap to the lamp so the passive cooling design keeps working.
