Summary

A Skadis Heart

[Gadgets](#) > [Other Gadgets](#)

Tags: [heart](#) [skadis](#) [ikeaskadis](#)

This one i made for my granddaughter, she really loves it. There are two versions, the little one is about 140 x 126 mm (the one on the picture), the other one is about 210 x 190 mm. Both versions are 5mm thick and available with spacer (M4 screwhole, 10mm deep) or without spacer. Maybe you have a use for this, my granddaughter has.
