### Summary

A sturdy yet low-profile deicer that is as big as a credit card! Fits very well in wallets or in your pocket.

[Household](#) > [Outdoor & Garden](#)

Tags: [winter](#) [wallet](#) [pocket](#) [compact](#) [icescraper](#)  
[pocketsized](#)

This is a pocket sized ice scraper that can even fit in your wallet for emergencies,

The special profile of this card lets you apply much more force than you usually could for a scraper of this size.

Print flat side down, Works in PLA, but PETG or stronger recommended for durability.
