### Summary

For those who want to get a tactical advantage in fight against hazardous bees.

[Household](#) > [Outdoor & Garden](#)

Tags: [bugs](#) [tactical](#) [spraycan](#) [nato](#) [picatinnyrail](#)

Picatinny/NATO rail mount for 65.6mm bug spray cans.

For those who want to get a tactical advantage in fight against hazardous bees.

(Requires 2x M6x15+ screws with hex nuts)

Please don't forget that we can avoid unnecessary conflict with bees by keeping properly social distance.
