## Summary

Lian Li PC-O11 Dynamic Funko POP! Figurine Stand Mount

Tags: [figurinepedestal](#) [funkopop](#) [lianli](#) [o1ldynamic](#)

I made a little stand for my Funko Pop Jollibee guy. You could mount pretty much anything on it that's similar size. It sits inside the original Lian Li PC-O11 Dynamic midtower case above the Der Baur badge in the back. The mounting holes accept 2x m3 cap screws. I used m3x8 myself and works perfectly. No supports are needed.
