### Summary

End cap for a standard FleshLight with a slot to insert a 5015 fan for drying purposes.

[Toys & Games](#) > [Other Toys & Games](#)

Tags: **fleshlight**

This is a FleshLight drying cap with a slot to insert a 5015 fan for drying the fleshlight sleeve in the case. Use a 24V power supply of your choice.

Also includes a stand for the wide end of the FleshLight when laying it horizontally.

Print without supports, 0.2mm layer height and 3 layers for wall thickness.

Cap was remixed from <https://www.printables.com/model/305808-fleshlight-case-compatible-replacement-parts>
