Summary

I thought it'd be funny to make the construction/excavation sign that's been outside office and in the shops in aviary.

[Costumes & Accessories](#) > [Props](#)

Tags: [construction](#) [sky](#) [tgc](#) [thatskygame](#) [thatgamecompany](#)
[skycotl](#) [cotl](#) [excavation](#)

I didn't really want to make the sign thick enough to cover nails and I didn't want them to stick through so I just left the back flat and plan to use some poster putty or strips to stick it on my wall.
