Summary

BD Sensor Mount For Chaoticlab CNC Voron TAP V1/V2

[3D Printers](#) > [Voron Parts & Upgrades](#)

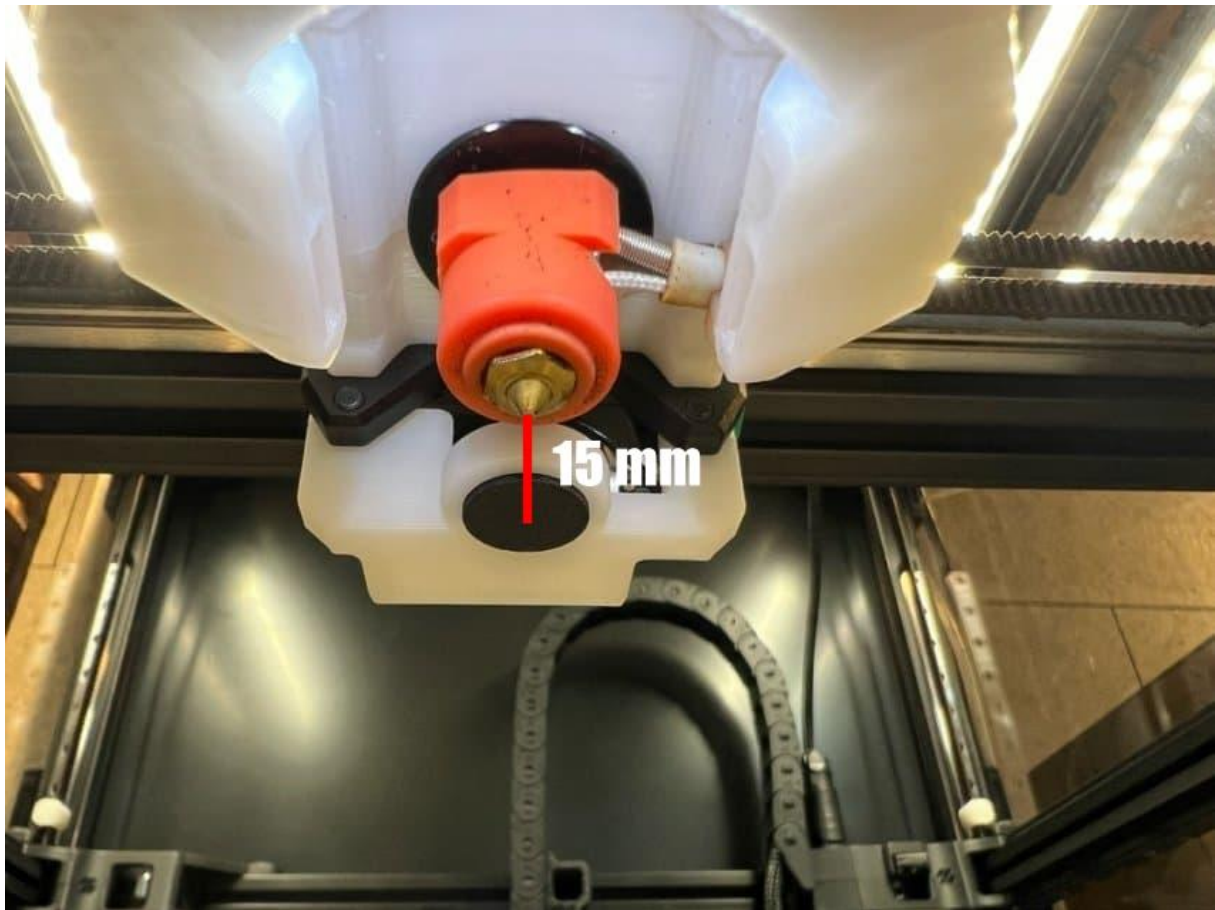

Tags: [voron](#) [stealthburner](#) [bdsensor](#)

I want to use BD sensor with Voron Tap(CNC tap by chaoticlab) So i made it.

You need BHSC M3 x 8

Y axis offset is 15mm.

In my case, 20mm(offset with nozzle) Mount is fit. But I uplaod various distance for other case.
