Summary

Tray to organize small bottles, personally used for soda stream flavoring.

[Household](#) > [Kitchen](#)

Tags: [tray](#) [sodastream](#) [essentialoil](#) [flavoring](#)

Simple tray that I use to organize my flavor drops for my soda stream. The holes are 35mm in diameter to fit a variety of bottles I use. The dimensions were chosen to fit my specific application, so feel free to customize yourself.
