

Rudolf Reindeer (Christmas tree ornament)

Decibel

[VIEW IN BROWSER](#)

updated 30. 11. 2023 | published 30. 11. 2023

Summary

A nose insert to turn MaxT's Reindeer tree decoration into Rudolf.

[Seasonal designs](#) > [Winter & Christmas & New Year's](#)

I printed the Original model at 0.2mm layer height and did a filament swap on layer 2 from white to black. The nose is printed at 0.2mm layer height to match the original model and is a pressure fit into the original's nose.

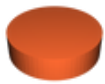

This remix is based on

Reindeer (Christmas tree ornament)

by MaxT
