Introducing the MGJP from Jetpack Joyride! Here I have mine printed in the, "Gold Platinum MGJP" colour scheme, but you can do whatever!

The handles are too long for Mini 13 (you can take them off though (see images), but otherwise it's compatible with all of soozafone's, "13" figures.

Print eight of the files labeled, "8x" and two of the ones labeled, "2x."

Happy printing!
