This is a advent wreath / calendar for 4 candles in the middle section including a metal candle inlay and 24 marbles for each day of the advent. The marbles are stored in the middle groove and move outside day by day to one the pockets.

I milled it from wood, but created a printable version (115mm x 115mm) suitable for most printers.

It's designed for common ~ 15mm to 16mm marbles and for candle inlays such as:
