Tags: [lens](#) [cap](#) [nikon](#) [nikkor](#) [1](#) [n1](#)

A simple lens cap for a Nikon camera using NIKKOR 1 lens mount. Also included is a STEP file of the cap so that the mount geometry can be used for other applications too.

Printed with 100% gyroid infill and four walls, flat side down towards the bed.

Use at your own risk. No warranties expressed or provided. You are responsible for any potential damages to your device or lens.
