### Summary

Remix of my "Reusable Defrosting Hex Scraper" model for "13" figures - help your figure with winter ice calamity!

[Toys & Games](#) > [Building Toys](#)

[lucky13](#) [mini13](#) [easy13](#) [dummy13](#)

**My "13" figures were jealous of my new **Defrosting Hex Scraper**...so I decided to make them their own :)**

It is of course compatible with **LUCKY 13**, **MINI 13**, **EASY 13** and **DUMMY 13**.

If you are interested in my original scraper, feel free to check it out [here](#).

Happy printing!
