Summary

Mount for the fender of type «ACID 29" 2.0 65 – ST Mount» on an older Cube Analog 2016 bicycle.

Tags: [cube](#) [bicycle](#) [fahrrad](#) [acid](#)

Relativ modern model of a fender of type «ACID 29" 2.0 65 – ST Mount» does not fit on an older bicycly «Cube Analog 2016». Also the newer 2019 model of the «Cube ACID» luggage rack does not fit as-is on my old bicycle.

This set of parts allows to mount both new parts pretty well.
