AIC Pico and AIC Key

Amusement IC Card Reader, AIME & Cardio Emulator

- It's small, smallest as far as I know.
- Many variants
 - AIC Pico
 - AIC Key PN532
 - AIC Key PN5180 (see notes 1 below)
 - AIC Pico Lib (see notes 2 below)
- Easy to make.
- Sega AIME I/O and Spicetools CardIO emulation.
- Command line for configurations.

- Supported card:
 - Felica (Amusement IC)
 - ISO/IEC 14443 Type A (BanaPassport, Mifare, Amiibo, some IC tags, some ID tags, etc.)
 - To be updated.
- Emulates virtual AIC from any Mifare cards.
- All source files open.
