A handy solution for your rulers. It's not fancy, just practical. Holds up to four rulers, max size 37.5cm*2.5mm.

Be aware that it won't fit on your regular sized (MK3/MK4) print beds. I have included a pre-cut version with dowels. Needs to be glued.

❏ Split so it will fit regular sized printers

❏ Too big for the MK3/4 print bed!
