updated 26. 11. 2023 | published 26. 11. 2023

### Summary

I chose to create a simple filament guide for my new ender 3 v3 se so it would fit my two levels of stored plastic

0.50 hrs

1 pcs

0.20 mm

0.40 mm

PLA

4 g

Creality  
Ender 3 V3
