

## Tile Wedge Parametric

[VIEW IN BROWSER](#)

updated 26. 11. 2023 | published 26. 11. 2023

### Summary

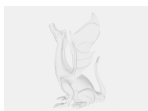

This is a wedge for use with a tile leveling system. One with a 9.5x8mm aperture perhaps.

This is a wedge for use with tile levelling systems. I foolishly bought the clips but not the wedges as I hadn't realised they don't provide any in the bag and didn't check myself. This specific STL is for an aperture of 9.5x8mm but I have provided the SCAD file in order to make your own to your specifications.
