## Summary

These cute canned-food-themed containers can be used as piggybanks, organizers, pencil holders, and more.

Time for a coffee break? These cute containers were inspired by old canned food cans. You have two different lid options - a solid lid and one with a coin opening to turn the container into a piggybank.

This is an easy print that doesn't need supports or brim. You can scale up or down to your needs. Designed on FreeCAD.

Printed mine with 0.20mm (Speed) and 10% infill.
