Tags: [tool](#) [holder](#) [drill](#) [toolwall](#) [forsner](#) [forsnerdrill](#)

I have designed a holder for Forsner drill bits for my tool wall. You can fix the holder with a Ø3.5mm screw. Suitable for Ø15 Ø20 Ø25 Ø30 Ø35

I have also made a holder for a step drill as you can see on the picture on the right here the link: [Step drill holder von Magr099 | Kostenloses STL-Modell herunterladen | Printables.com](#)
