Tags: [wifi](#) [adapter](#) [antenna](#) [mikrotik](#) [routerboard](#)

An adapter to fit older MikroTik omni wifi antennas in to the universal routerboard case (e.g. RB433, RBM33G, RB911).

Tolerances could be rather snug for the internal diameter and might need adjustment depending on your printer.

Suggest to print with layer height 0.1mm for nicer threads.
