Summary

dxf file and quick extrusion for the 'V' bandaid sticker image off CDC.gov

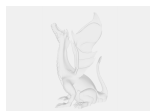

[Art & Design](#) > [2D Plates & Logos](#)

Tags: [badge](#) [sticker](#) [dxf](#) [vaccine](#)

Not test printed; dxf file included

Grabbed the 'V' bandaid style image off the [CDC's "I got my COVID-19 Vaccine!" stickers/resources](#), traced bitmap in Inkscape to get a dxf and also did a quick 3d extrusion model based on that dxf (rough, not tested). I wanted to upload these for anyone who wants them.

Model files

cdcvaxlogo.dxf

cdcvaxlogo.stl
