Summary

3 piece Excalibur Piggy Bank, Print with Tree Supports

[Household](#) > [Home Decor](#)

Tags: [sword](#) [piggybank](#)

I made this in an attempt to stay up late while fixing my sleeping schedule. Still Pretty new to tinkercad so have pity. Fits together nicely although may take a little work due to low tolerance, i did this so it could firmly hold the sword at different angles if so desired. Extended the base as my initial model (pictured) was too short. Use Tree supports. Are you worthy?
