Summary

Hooks to hold the JBL flip 3 repro.

[Household](#) > [Other House Equipment](#)

Tags: [hook](#) [honeycomb](#) [hang](#) [flip](#) [jbl](#) [hsw](#)

JBL Flip 3 holder.

So you can hang the music to your honeycomb wall.

You shall use at least 2 of them.

I don't own any other JBL devices to try compatibility with others.

Inner diameter of hang is **65mm**.

Enjoy

This remix is based on

Honeycomb storage wall
