### Summary

Traffic cone for use with Thinkfun Rush Hour puzzles found at <https://www.michaelfogleman.com/static/rush/>

[Toys & Games](#) > [Puzzles & Brain-teasers](#)

Tags: [trafficcone](#) [thinkfun](#) [rushhour](#)

This traffic cone works well to play the Rush Hour puzzles found at <https://www.michaelfogleman.com/static/rush/> that include traffic cones.

You will need supports to print it successfully. I used the new organic (tree) supports in PrusaSlicer and they came off quite easily.

I sliced it in 0.1 DETAIL in PrusaSlicer. I would think you could slice it at a faster setting successfully.
