updated 27. 11. 2023 | published 27. 11. 2023

Summary

Sat Down, had a couple of drinks and overengineered this V2. Should be PLA Friendly now, as i strengthen about 90% of it

[Hobby & Makers](#) > [Tools](#)

Sat Down, had a couple of drinks and overengineered this V2. Should be PLA Friendly now, as i strengthen about 90% of the structural integrity. Only weak points now are the tabs that lock it in to place.

This remix is based on
