updated 27. 11. 2023 | published 27. 11. 2023

### Summary

Remix to connect a Gopro Mount to a Sigma Aura 60/80

[Hobby & Makers](#) > [Automotive](#)

Tags: [light](#) [bike](#) [bikelight](#) [sigma](#) [aura](#) [sigmaaura](#)  
[aura80](#) [aura60](#)

Printed in PLA with 4 perimeters - **2-piece** print without support  
(One-piece print also attached, but more complicated to print)  
Combine parts with glue and screw tight (in the correct orientation)

10mm M3 screw used  
also find my Print in Place Sigma Aura 60/80 to gopro Quick Release adapter.
