Summary

Neckless & Earring Polymer Clay Cutter

[Hobby & Makers](#) > [Tools](#)

You can choose between two cutter versions to suit your preferences and projects:

1. Normal - with a 0.7mm cut wall, 3mm solid base, and a height of 12mm.
2. Sharp - featuring a 0.4mm cut wall, 1mm support wall, 3mm solid base, and a height of 12mm.

Our collection features 8 different sizes, measured from the longest ends, and includes all the cutters you'll need for your projects.

The available sizes are as follows:

20mm
25mm
30mm
35mm
40mm
45mm
50mm
55mm
